Below the navigation bar, the main heading reads 'Quote your transport right now!'. The form is divided into three sections: 'GROUPAGE' (represented by an icon of a truck with multiple boxes), 'EXPRESS' (represented by an icon of a truck with a single box), and 'FULL TRUCK LOAD (FTL)' (represented by an icon of a truck with a large container). Below these sections, there are input fields for 'Measurement Type' (set to 'European'), 'Length (cm)', 'Width (cm)', 'Height (cm)', and 'Weight (kg)', all of which currently display 'Please complete'. There is also an 'Add items' button. The form is further divided into 'Loading' and 'Unloading' sections, each with 'Country' (a dropdown menu set to 'Choose a country') and 'City' (a text input field) fields. At the bottom of the form, there is a prominent blue button labeled 'Quote transport now'.
